SKYHAWK SOFTBALL

2009 SKYHAWK SOFTBALL

"A SEASON TO REMEMBER"

The 2009 season was easily the most historic in the program's history. After getting off to the best start in program history at 12-3, the Skyhawks settled in to compile a 13-10 Ohio Valley Conference regular season mark which earned them a No. 4 seed in the conference tournament.

Prior to the conference tournament beginning post season awards were handed out, including a Freshman of the Year accolade for UT Martin's Jenny Bain. Megan Williams joined Bain on the All-OVC First Team, while Laura Roberts also earned a nod on the All-OVC Second Team.

After a disappointing first round loss to Tennessee Tech, the most magical three days in the program's history began coming to fruition.

UT Martin picked up a win over (3) Morehead State and a 4-0 upset win over (1) Jacksonville State on day two of the tournament, earning them one of three spots in the tournament's final day.

After avenging the first round loss to Tennessee Tech 4-2, UT Martin then had to knock off (2) Southeast Missouri in back-to-back games to claim the program's first-ever OVC Tournament crown and automatic berth in the NCAA Tournament.

The Skyhawks' win made them not only the lowest seeded team to win the conference tournament, but also the first team to ever win five straight games out of the losers bracket to win the tournament title. At the tournament's end four Skyhawks appeared on the OVC All-Tournament team including MVP accolades for starting pitcher Kara Harper. Joining her on the all-tournament team were Megan Van Arsdale, Savannah Roberts and Laurie Lindow.

For the Skyhawks magical effort in the OVC Tournament they earned a date with perennial national powerhouse No. 6 Arizona in the NCAA Louisville Regional. After taking an early lead over the eight-time national champions, Arizona was able to rally behind their NCAA record home run hitting to pick up the 9-3 win. In their second game of the Louisville Regional UT Martin squared off against Purdue where it carried a 2-2 tie into the seventh inning before the Boilermakers were able to rally for the win, thus ending the Skyhawks season.

During the year the Skyhawks set or broke 20 program and individual records, including the coveted home run record. Bain set the new individual home run mark with her 14 bombs on the year while as a team UT Martin belted home 55 dingers. Senior pitcher Kara Harper also became the program's first 20 game winner with her 20-9 record while also moving to No. 1 on the career victories chart with 41.

BETTYE GILES FIELD

In 1996 The University of Tennessee at Martin softball team enjoyed its first season at its new on-campus facility, Bettye Giles Field. Dedicated April 13, 1996, the softball facility is one of the latest projects for Ms. Giles, who has been a part of the UT Martin faculty since 1952. Giles was a driving force behind almost every program relating to women's athletics at UT Martin today. She served as women's athletics director for 25 years and was an integral part of making UT Martin a pioneer for intercollegiate women's athletics.

Bettye Giles Field is 190 feet down each line and 220 feet to straight away centerfield. Since 1996 the Skyhawk program has added new field lights, stadium bleacher seating, state-of-the-art hitting facility, concession stand and press box to Bettye Giles Field.

Bettye Giles Field has provided a distinct home field advantage for the Skyhawks, amassing a record of 149-131-2. Bettye Giles Field also played host to the Ohio Valley Conference Tournament in 1999.

ATHLETIC TRAINING FACILITIES

ATHLETIC TRAINING ROOM

With three Skyhawk training room locations throughout the UT Martin athletic facilities, student-athletes can be assured of receiving the best medical attention and rehabilitation available. The primary athletic training room facilities are located in the Skyhawk Fieldhouse. There are also satellite athletic training room locations in the Bob Carroll Football Building and near Pat Head Summitt Court in Skyhawk Arena.

The Skyhawk Fieldhouse athletic training room was renovated in 2007 as part of a \$1.9 million dollar renovation of the entire Skyhawk Fieldhouse and Kathleen and Tom Elam Center. Included in the renovation was an updated whirlpool rehabilitation room where student-athletes can receive aqua rehabilitation and treatment. The athletic training room also contains multiple examination stations with the latest in rehabilitation equipment.

The athletic training staff uses a comprehensive approach to the injury care and wellness of student-athletes by utilizing state-of-the-art diagnostic and treatment equipment with the latest methods in the care and prevention of injuries.

Assistant Athletic Director Bart Belew is in his eighth year as head athletic trainer. Belew, a UT Martin graduate, went on to earn a master's degree and serve as a graduate assistant at Ole Miss where he worked with both the football and baseball programs before a stint at Freed-Hardeman led him to a return to his alma mater in 2000 as the head athletic trainer. He currently has a staff of four full-time certified athletic trainers and support staff of 16 athletic training students.

The athletic training staff is surrounded by many qualified and generous team doctors, through a partnership with Sports Orthopedic and Spine of Jackson, Tenn. Dr. G. Bradford Wright, MD, and Dr. Steve Houseworth, MD, serve as the primary team physicians and are directly responsible for the orthopedic needs of UT Martin student-athletes. Dr. Wright has previously worked as team physician with the US Olympic Track & Field teams, West Tennessee Diamond Jaxx and Memphis Riverkings while Dr. Houseworth has served as a team physician for Louisiana Tech University.

Dr. Wright and Dr. Houseworth are also assisted in the care for Skyhawk student-athletes by the other orthopedic specialist of Sports Orthopedic and Spine; Dr. David E. Yakin, MD, Dr. Keith Nord, MD, Dr. Timothy Sweo, MD, and Dr. John P. Masterson, MD.

The athletic training staff is one support group that the athletic teams cannot do without. They are responsible for staffing all practices and games as well as handling the day-to-day rehabilitation of injured or post-surgery student-athletes.

STRENGTH & CONDITIONING FACILITIES

SKYHAWK STRENGTH & CONDITIONING

The UT Martin strength and conditioning facilities are for the exclusive use of Skyhawk student-athletes as they train for competition, under the direction of strength and conditioning coach Charles Rayburn.

Sport specific workouts are designed by coach Rayburn and supervised at all times by one or more members of the strength and conditioning staff. Each student-athlete is placed in to respective developmental levels according to individual ability and specific regiments are then prescribed and continuously changed based on individual aptitude.

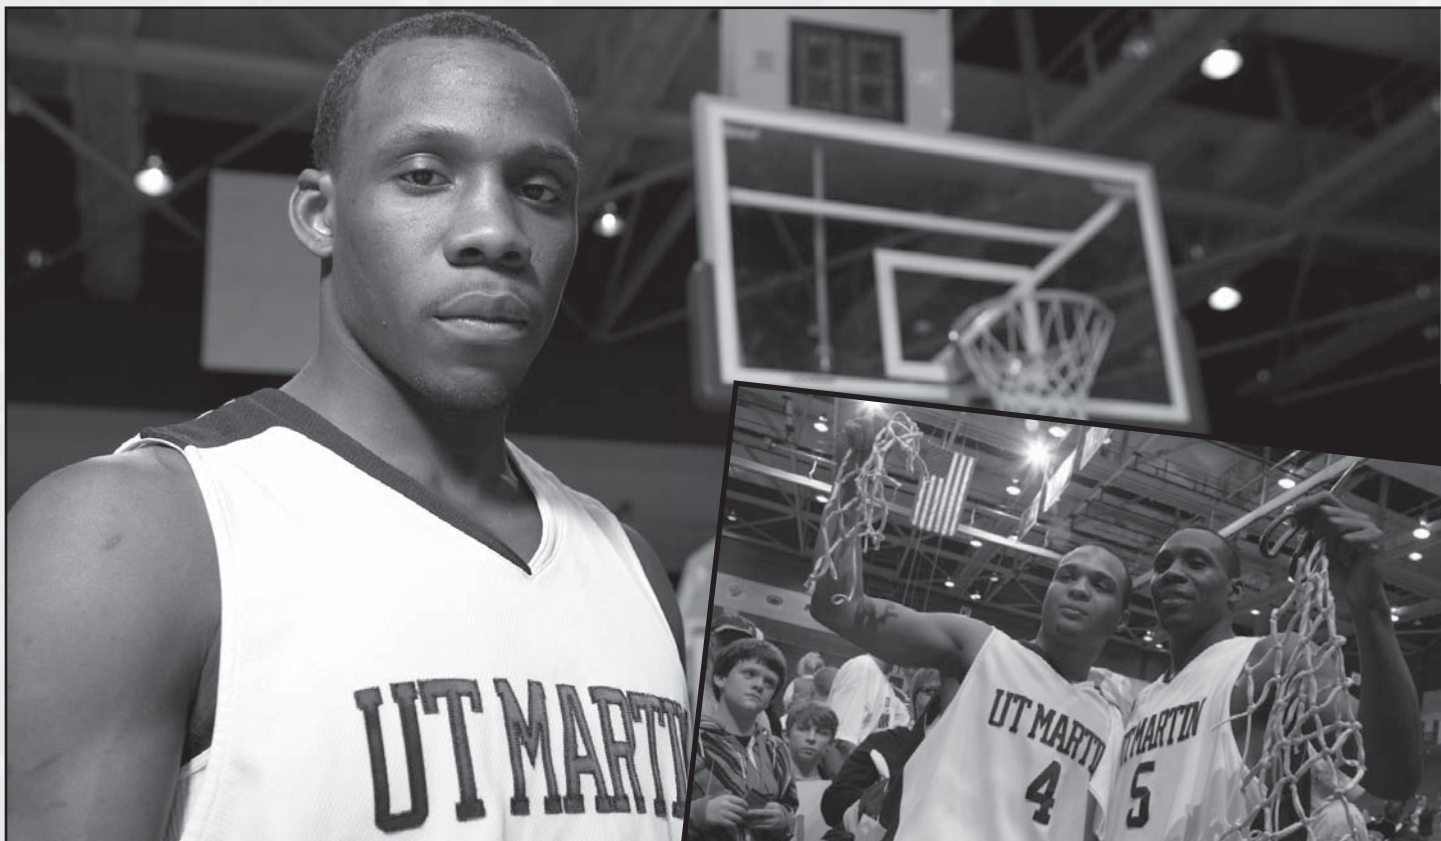

The Skyhawk strength and conditioning philosophy is multi-faceted with a primary emphasis on reducing injuries during the season.

The 3,500 square-foot Skyhawk weight room, located on the second level of Skyhawk Fieldhouse, includes Hammer Strength and Life Fitness machines and weights. This state-of-the-art facility is equipped with modern equipment ranging from self contained Power Lift multi-racks with 6x8 platforms, Olympic lifting bars, a complete line of rubber coated TGX dumbbells, a variety of glute/ham stations, a huge plyometric/medicine ball area, and various other supplemental pieces. The facility offers an unlimited variety of movements and exercises for the student-athlete.

The Skyhawk weight room allows for large enough groups so the student-athletes can train concurrently optimizing efficiency and effectiveness but, small enough to receive individual direction.

Martin is located in the northwest corner of Tennessee in Weakley County. The University of Tennessee at Martin is the only four-year public university outside of Memphis in West Tennessee. Martin is approximately 150 miles from Nashville and Memphis and one hour from Jackson and Paducah, Ky.

MARTIN AND...

Martin is the home of the Tennessee Soybean Festival which is held the week after Labor Day in September each year. Martin also has multiple public parks, an excellent public library, a competitive school system and a community hospital. With a population over 10,000, Martin is a vibrant university town yet still maintains a rural, small-town ambience.

In 1832, William Martin and his wife, Sarah Glass Martin moved to Weakley County where he settled his family. He became a leader in the tobacco industry and by his death in 1859 had secured the passage of an east-west railroad through his property in the county. When his family discovered the Mississippi Central Railroad planned a north-south line in the area in 1872 they offered the railroad free right-of-way across their property if they located the line on their property and offered to donate property for a park in what would be the center of Martin.

Northwest Tennessee encompasses eight rural counties: Lake, Obion, Weakley, Henry, Dyer, Gibson, Carroll and Benton. From Lake and Dyer counties bordering the great Mississippi River to Benton and Henry counties bordering the Tennessee River, Northwest Tennessee abounds in outdoor recreational activity opportunities. Lake and Obion counties are home to Reelfoot Lake State Park and two national wildlife refuge areas. Reelfoot Lake is the only natural lake in Tennessee and popular history says the lake was formed when the region subsided after the New Madrid earthquakes of 1811–1812, and that the Mississippi River flowed backward for 10-24 hours to fill it. Henry county is home to Paris Landing State Park located on the western shore of the Tennessee River which is dammed to form Kentucky Lake.

St. Louis is a four-hour drive north. Six Flags at St. Louis is also approximately four hours away.

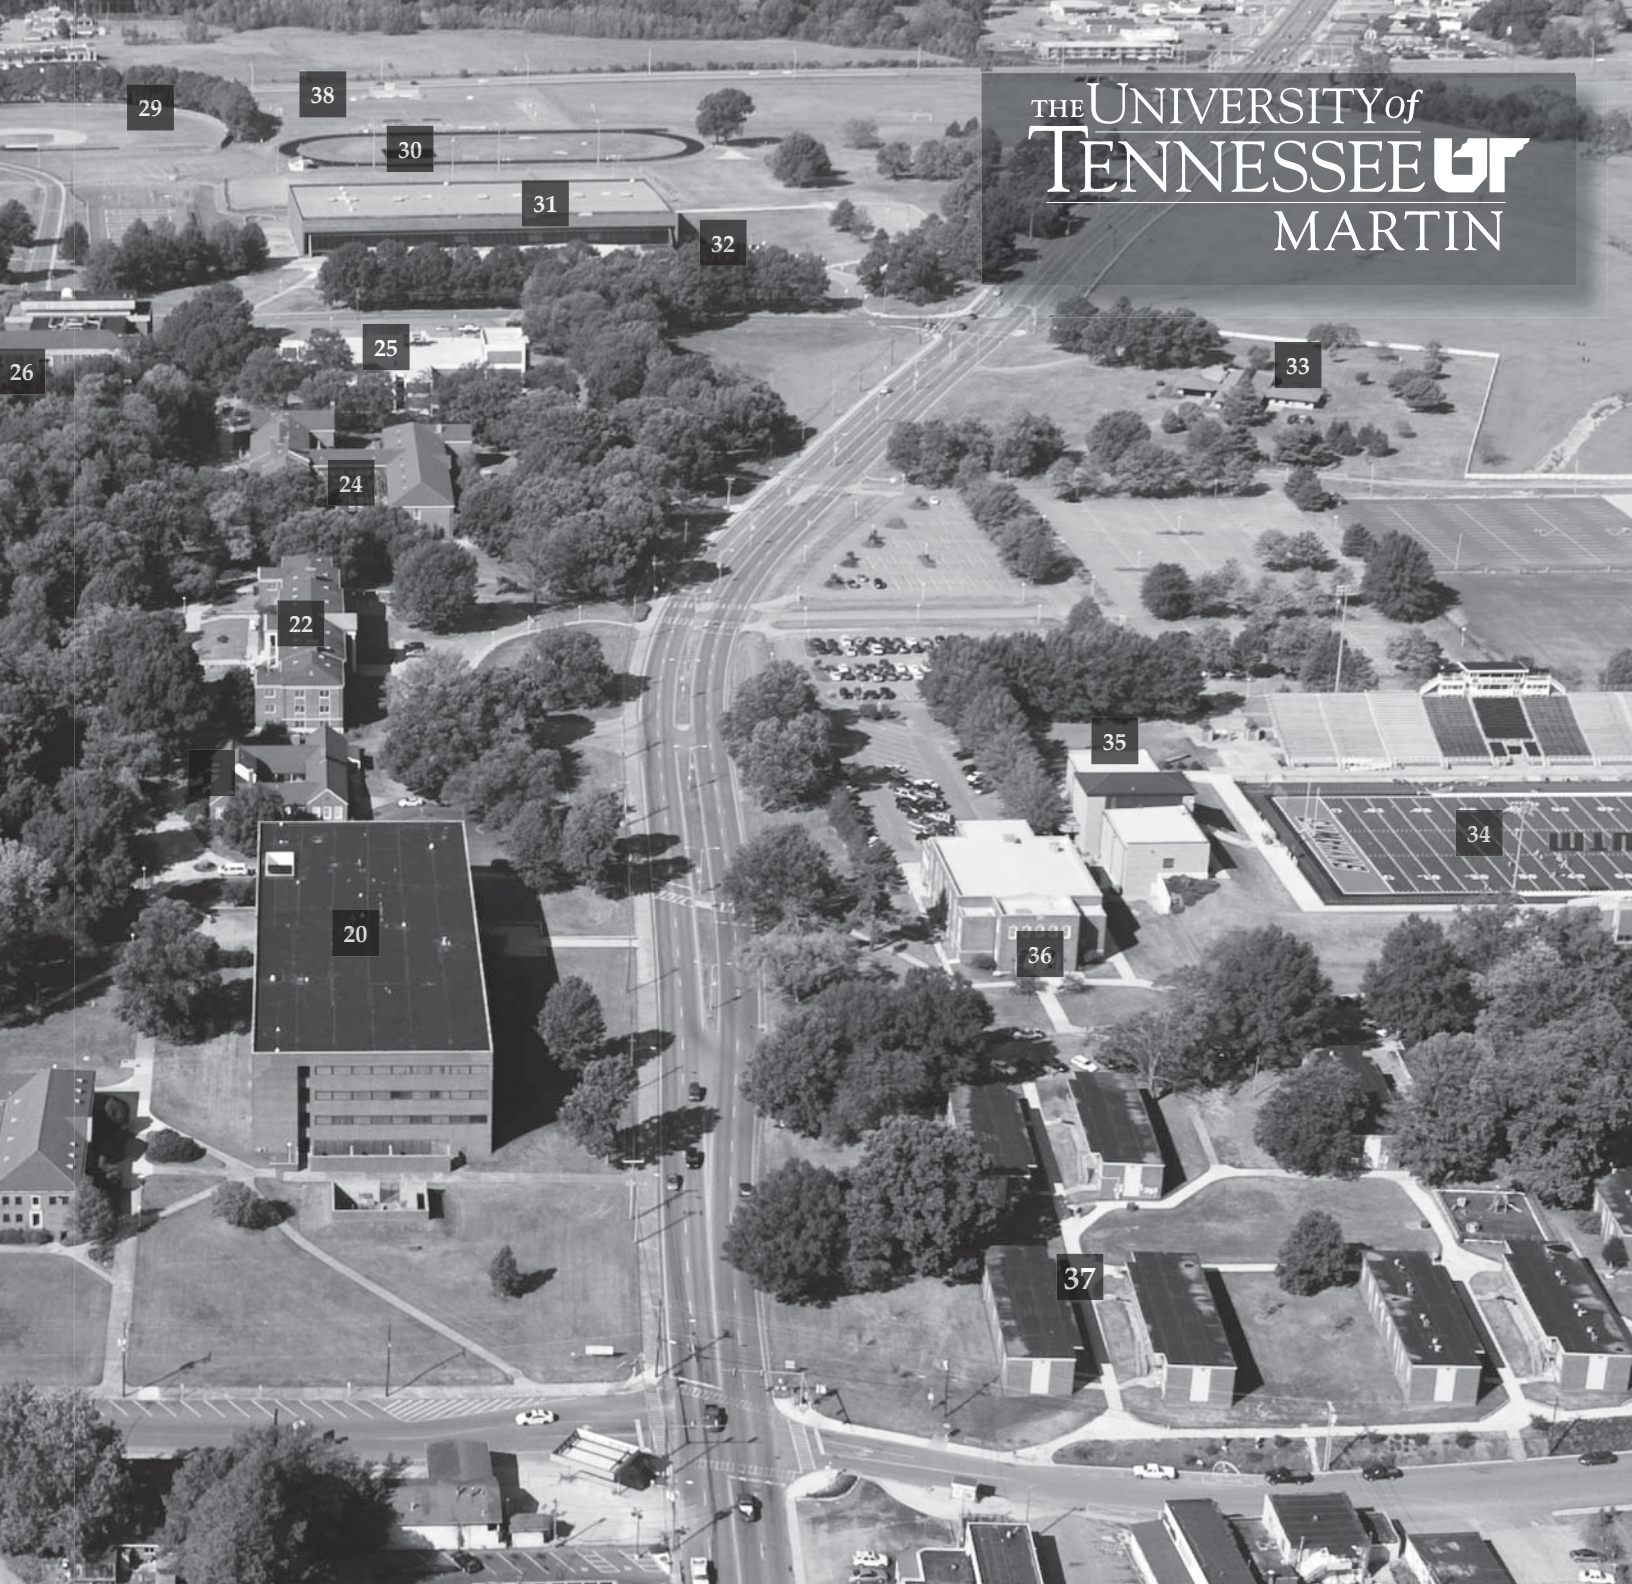

Many industries are located in the Northwest Tennessee area.

Goodyear has a plant in Obion County and is a major employer in the surrounding counties. Fed-Ex ground has a terminal in Weakley County, and Gibson County has announced that Fed-ex is greatly expanding their processing center located in that county. CHANCELLOR DR. TOM RAKES

Dr. Tom Rakes became the ninth UT Martin Chancellor May 7, 2007, when University of Tennessee President Dr. John Petersen made the announcement. He began his new role July 1, 2007.

Dr. Rakes joined UT Martin in 2002 as Vice Chancellor for Academic Affairs and Professor of Educational Studies. He was named Provost in 2005.

Dr. Rakes has identified eight specific areas of focus in the last several years. Increasing academic rigor and completion rates, reviewing levels of student and academic program services, refining the enrollment management plan, enhancing security measures and continuing to assess resource allocations are among his priorities. UT Martin's role as a catalyst and resource in West Tennessee's economic development is also an area of emphasis.

This fall, UT Martin anticipates welcoming the most academically qualified class of new students in our history. Student services have been enhanced with the completion of eight new apartment-style residence halls during the past three years and should be further energized with the opening of the Student Recreation Center scheduled for January 2010. Several academic facilities have also recently benefited from construction activities which include an expansion of Brehm Hall, renovation of the Business Administration Building, the construction of the new Parsons Center, expansion of the Selmer/McNairy County Center, and the recently approved expansion project for construction of Phase One of the Fine Arts Building.

Reflecting on the 2008-09 academic year, our list of accomplishments is impressive ranging from a record student enrollment, the second highest six-year graduation rate for public universities in Tennessee, our most successful donor support, topping \$11 million, and state or regional recognitions for student groups in agriculture, business, chemistry, social work, education, journalism and broadcasting. We are honored to have received successful program reviews in Geosciences, French, Spanish and University Studies. UT Martin ranks as the largest single university provider of dual-enrollment programming to offer college-level course opportunities to students in more than 30 different high schools as well as a growing number of home-school students. We can also take pride in our athletic teams competing in NCAA and NIT post-season action in softball and men's basketball, respectively. Our storied rodeo program fielded a team completing this season ranked ninth in the nation.

Over nine years ago, Phil Dane requested the opportunity to assume the role of director of athletics when the previous director retired. After serving as Vice Chancellor for Business and Finance for 13 years he was looking for a new challenge and athletics had always been his secret passion.

ATHLETIC DIRECTOR PHIL DANE

Phil Dane begins his tenth year as the director of athletics after serving as vice chancellor for business and finance at UT Martin for 13 years. He has overseen facility improvements, budget increases, and staffing changes which have resulted in Ohio Valley Conference championships in football, men's basketball, volleyball, softball, and women's tennis.

Dane was successful in proposing a referendum to the Student Government Association in 2007 that generates over \$600,000 annually. This funding has provided additional staff increases and budget increases for various administrative and sports programs as well as major facility improvements for baseball and softball. New grandstands were installed at both fields in 2008. New lighting was installed on both fields in 2009. Construction will begin on a \$1,000,000 baseball/softball building in February, 2010 with the debt service being paid from referendum funds. Over 63 percent of the student body voted in favor of the referendum in April 2007.

Dane oversaw the building and completion of the Bob Carroll Football Building, a \$2.5 million project. Funding for the project came from private gifts. The 17,000-square-foot facility has office space for all football personnel, meeting rooms, a locker room, a training room and a magnificent multi-purpose room overlooking H.K. Grantham Field. With the momentum from of an OVC championship season in 2006, then Chancellor Nick Dunagan, provided institutional matching funds when Skyhawk fans donated \$250,000 toward a new synthetic surface for Hardy M. Graham Stadium. That challenge was met and new FieldTurf surface was installed before the 2008 season.

In 2006 a majoring seating renovation was completed in the Kathleen and Tom Elam Center. More than 1,200 chair back seats were installed on the east side of the arena replacing a combination of bleachers and chair back seats. Bleachers and a press box facility at the Skyhawk Soccer Field were also completed in the fall of 2006.

Dane has guided the university through its most recent NCAA Division I Certification. In addition he is a peer reviewer in the NCAA Division I Certification Program. He has performed peer reviews at the University of Delaware, Western Kentucky University, Robert Morris University and Texas State University. Dane will serve as the chairman of the OVC Athletic Directors Council in 2010-2011. He also serves as the administrative liaison for the Ohio Valley Conference men's golf coaches.

Before he was named athletics director in 2000, Dane served as vice chancellor for business and finance from 1987-2000. In 1999, he chaired a commission to study the role and funding of intercollegiate athletics at UT Martin. The study commission developed a plan that allowed scholarship football to continue, and since 2000 Dane has worked with the university's administration

to restore funding for football scholarships to the same level as other OVC institutions.

He has held various positions at UT Martin since 1979. He is an Air Force veteran and a three-year baseball letter winner at Tennessee Tech University. He earned his bachelor's degree in 1978 and worked for Price Waterhouse and Company before beginning his association with UT Martin. He earned his MBA from UT Martin in 1984.

Dane is active in community and church organizations. He has served as commissioner of the Martin Girls Softball League and president of the Breakfast Optimist Club. He is currently a member of the Martin Rotary Club and is a deacon at the First Baptist Church of Martin.

Dane and his wife, Debbie, a third-grade teacher at Martin Elementary School, are the parents of three daughters: Shelly obtained her undergraduate and graduate degrees from UT Martin and teaches third grade at Dexter Elementary School in Cordova, Tenn.; Katie, teaches fifth grade at Martin Elementary School; and Abbey, also a UT Martin graduate, is marketing specialist with the Memphis Zoo.

Ninth Season

HEAD COACH

Donley Canary has been head softball coach at UT Martin for eight seasons. During that time he has not only become the programs all-time winningest coach, but also transformed the Skyhawk softball team into a very respected and perennial Ohio Valley Conference power along with guiding the program to its first-ever NCAA Tournament berth in 2009 after capturing the 2009 OVC Tournament title.

After eight seasons, Canary sports a 250-212-1 won-loss-tie record and his teams have advanced to the OVC tournament as the No. 3 seed twice, and No. 4 seed three times, plus once as a No. 2 and No. 5 seed. Canary has coached 49 All-OVC selections in his eight seasons. Ten of those have been named to the All-OVC First Team, 15 were named All-OVC Second Team, three were All-OVC Honorable Mentions along with 13 named to the OVC All-Tournament Team, including one OVC Tournament MVP. Canary has also had nine OVC All-Newcomer team members which was newly created for the 2006 season.

Canary is currently the fifth all-time winningest coach in the Ohio Valley Conference with 250 career wins and is fourth winningest among active coaches in the conference. Of the active coaches on the all-time winningest list, Canary is the only one who has been at the helm of his team for less than 10 seasons.

The transformation began in 2002, during Canary's first season, when the Skyhawks posted a 25-33 win-loss record. The Skyhawks were lauded as the second most improved Division I softball program in the nation.

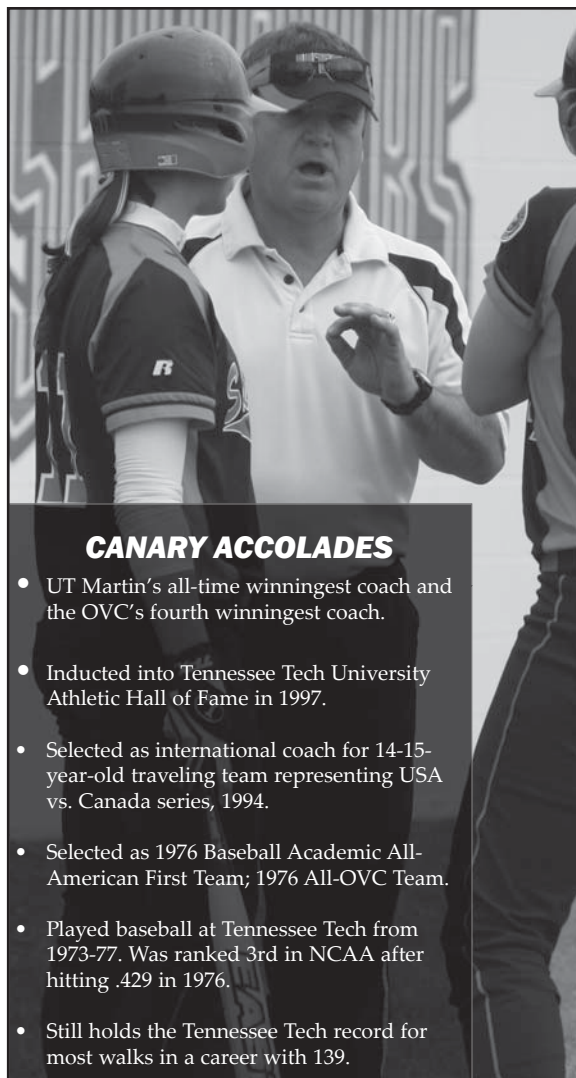

Canary guided the team to 14 more victories than the year before. Much of the team's success was because of a stellar recruiting class. The team advanced to the Ohio Valley Conference tournament as the No. 3 seed. In the tournament, the Skyhawks suffered a 6-1 loss to No. 6 seed Eastern Illinois in the first round. The Skyhawks defeated No. 5 Southeast Missouri State, 5-1, in the second round and then lost to Eastern Illinois 5-1 in the consolation bracket elimination game.

With the bar raised for the 2003 season, Canary and the Skyhawks once again answered the challenge. The team proved its success in 2002 was not a fluke by winning 21 games and advancing to the postseason tournament as the No. 3 seed for the second consecutive year. In the tournament, the Skyhawks struggled with Eastern Illinois again, falling 6-3 in the opener. No. 4 Southeast Missouri State ended the Skyhawks' run at a tournament title in the second round with a 4-3 decision.

Determined and focused on a regular season and an OVC tournament crown, Canary and the Skyhawks set a school record with 40 wins in 2004 and a second-place regular season finish. The team advanced to the postseason conference tournament as the No. 2 seed. In the first round the Skyhawks claimed a dramatic 9-6 win over No. 6 Southeast Missouri State when Kristin Runyan delivered a walk-off home run. The Skyhawks then beat No. 5 Jacksonville State in the second round and advanced to the championship game against No. 1 Eastern Kentucky. The Skyhawks claimed a 2-1 win forcing a second game to decide the championship between the two undefeated teams. Eastern Kentucky won the title, 4-3, in the bottom of the seventh inning with a rally.

The Skyhawks continued their success in the OVC during the 2005 season, compiling a record of 33-22. UT Martin entered the postseason tournament as the No. 4 seed and defeated No. 5 Southeast Missouri 3-2 in the first round. The Skyhawks fell to No. 1 Jacksonville State in the second round, but rallied to defeat Eastern Kentucky in the third round, advancing to the consolation bracket championship game. UT Martin fell to Southeast Missouri 4-1 and finished in fourth-place.

The 2006 season saw UT Martin reload with a new line-up, but continue on the same mission. The Skyhawks finished the season with a 35-26-1 record and advanced to the OVC tournament again as the No. 4 seed.

season outlook

"We will be disappointed if we are not near the top at the end of the year, we have the ability this year to play with anyone in the country."

- Head Coach Donley Canary

SKYHAWKS LOOKING TO REPEAT IN '10

After completing the most historic season in program history, which included The University of Tennessee at Martin's first OVC Tournament crown and berth into the NCAA Tournament, the Skyhawks will rely heavily on a wealth of experience that returns to have a repeat performance in 2010.

"With the talent and experience we have coming back, we will be disappointed if we are not near the top at the end of the year," said head coach Donley Canary. "We have the ability this year to play with anyone in the country. The primary key to our success though is that we must stay healthy."

The experience Canary speaks of comes as a result of the core components of the youngest team in the nation three seasons ago staying together and gaining valuable experience as a unit one game at a time. Coming back in 2010 is a highly decorated arsenal that includes two All-OVC First Team selections, three All-OVC Second Team selections, four OVC All-Newcomer Team members and a pair of OVC All-Tournament team members.

Just because a majority of the Skyhawks have "been there before" though, they have to avoid becoming complacent. According to Canary, "the older players have been there before and know what we want out of them. They also know what it takes to get to the postseason and know how much work it takes."

With that balance of experience turning into leadership both on and off the field, the Skyhawks look very prepared at every position around the diamond to make another postseason run in 2010.

Pitching

Despite losing the program's first-ever 20-game winner and OVC Tournament MVP Kara Harper to graduation last year, the cupboard is far from bare for the Skyhawk pitching staff. Paj Lintz will anchor the staff as a senior in 2010 despite coming off a season that was below her expectations. After earning All-OVC accolades as a freshman and sophomore, Lintz appeared in 29 games and amassed a record of 11-8 with a 2.08 ERA. Despite having an "off year" by her standards, Lintz still fanned 104 batters and gave up only 40 earned runs in 134.2 innings pitched. After an offseason of work Lintz rebounded with a very strong fall season, including a 17 strikeout performance in a seven inning game against Union University.

Also returning for the Skyhawks is sophomore Chelsea Jones who emerged as a pure strikeout threat as freshman. In 19 appearances Jones earned a 7-7 record with seven complete games while striking out 54.

"I expect a lot out of both Paj [Lintz] and Chelsea [Jones] this year," said Canary. "Paj is a senior with plenty of experience and after her strong fall season she is ready to make up for last year, while Chelsea is the hardest thrower that we've had at UT Martin since I have been the coach. That fact, along with

Jenny Bain

valuable experience she was able to get last year and in the NCAA Tournament will help her really perform for us this year."

Also joining the Skyhawk pitching staff is junior college transfer Kate Vanderham, who spent the last two seasons at Florida Community College at Jacksonville, where she was an All-American and led her team to the NJCAA Final Four. At the final four she also collected most valuable player accolades after picking up a pair of wins. She finished the 2009 season with a 1.14 ERA after tossing 159.1 innings with 69 strikeouts. Vanderham will also be able to provide a threat at the plate after hitting .398 last season with 55 RBI and 11 home runs.

Also in the bullpen for the Skyhawks will be freshman Leevie Greenwood, who comes from a very decorated Wilson Central High School program and will be expected to provide depth in the pitching rotation. She will not be your typical freshman though, because Greenwood enjoyed tremendous success with her travel ball squads before joining the Skyhawks. During her time playing she collected Tennessee state championships in the ASA, NSA and USSSA leagues. Then she was also on the 10U NSAA World Series champion squad, then again on another World Series winning team at the ASA 12U SEAA World Series.

Infield

The Skyhawk infield will be in strong supply of experience to start 2010. Every infield position, with the exception of second base, returns the starter

from last season. Behind the plate the Skyhawk hurlers will have senior, and OVC All-Tournament selection, Laurie Lindow making a majority of the calls, while sophomore Erica Duke will provide quality depth behind Lindow after a successful freshman campaign and quality offseason.

Lindow is coming off a 2009 season where she started 44 games behind the plate, including all six games of the OVC Tournament run and both games in the NCAA Tournament. Lindow who also proved to once again be a very clutch hitter in 2009 will enter her senior season after hitting .267 last year with 21 RBI and a pair of home runs.

Duke also earned a great deal of experience when she caught 13 games, without making an error. She also picked up seven RBI and five hits in 29 at-bats. The third catcher in the arsenal is freshman Victoria Wallace. Because of shoulder surgery though, she will be redshirted and miss the entirety of the 2010 season.

At first base the Skyhawks bring back a pair of experienced gloves in junior Chelsea Cary and senior Jessica Gourdir. Cary really emerged as a steady glove at first after making the move from second base last year. She started 43 games in 2009 while amassing a fielding percentage of .985. She also proved to be one of the team's top hitters with a .310 batting average. Once on the base paths, Cary was also able to use her speed to swipe 10 bases, which was good enough for second on the team in 2009.

Gourdir appeared in 38 games last season after transferring from Parkland Community College. While also providing a very steady glove at first, Gourdir also saw a great deal of time as the designated player because she has tremendous power to go along with her consistent bat. Gourdir proved to be a very clutch hitter as well, hitting .333 during the OVC and NCAA Tournaments.

Second base is the only position where the Skyhawks' infield has a hole to fill after the graduation of four-year starter Greer Long. Looking to replace Long will be junior college transfer Jordan Garrett and freshman Becca Williams.

Garrett had a tremendous fall season for the Skyhawks and also proved her worth over the two seasons she spent at Volunteer State Community College where she was a two-time all-conference selection and last year hit .480, which was the No. 2 batting average in the Tennessee Junior College Athletic Association and No. 29 average in the nation.

Also competing for the job at second is Williams who also had a quality fall season. Williams has a very strong arm and is very quick. According to Canary she is "too much of a talent not to be on the field somewhere," so it is likely the battle for an everyday starter may not be settled by opening day.

At shortstop there is no question who the starter will be on opening day. OVC Freshman of the Year

Jenny Bain will be back to again anchor the infield. She had a breakout season in 2009 where she not only earned OVC Freshman of the Year honors, but also spots on the All-OVC First Team and OVC All-Newcomer Team. In the process she also broke the coveted home run record at UT Martin. Bain's 14 homers came on .322 hitting, while she also added 34 RBI and a team-high 13 doubles. She also led the team with a .402 on-base percentage after drawing 25 walks.

Backing up Bain will be sophomore Tori Wolaver who has worked her way into the everyday lineup as a pinch runner as well after beginning last year as a freshman walk-on. Wolaver earned her new role after appearing in 30 games last year and scoring 12 runs.

Senior Megan Van Arsdale returns for her fourth year as the starter at third base for the Skyhawks, a position she has started at for every game except one during her career. After a 2009 season that saw her earn OVC All-Tournament accolades she continued to get better during the fall season. Van Arsdale led the team in hitting during the fall with an average north of .600. That was in addition to continually showing her consistent glove on the "hot corner" at third. In the 62 games of the 2009 season, Van Arsdale was only charged with three errors to record a .984 fielding percentage, which is tops of all the returning starters.

Outfield

The outfield will also be overflowing with experience as every starter from the 2009 squad returns in 2010. Anchoring the outfield will be senior center fielder and All-OVC First Team member Megan Williams, who proved to be a leader for the team both on and off the field in 2009. Williams returns as the Skyhawks' top hitter after batting .343, hitting a team-high 13 doubles and knocking in 36 RBI. She also led the team in stolen bases with 15 on the year.

Backing up Williams will be fellow senior Ashley Byrd, who remains the team's top speed threat off the bench each game. In 2009 she stole bases at a 75 percent clip while scoring 11 runs.

In left field will be another All-OVC senior in Laura Roberts. After being named to the All-OVC Second Team and leading the Skyhawks with 42 RBI, Roberts will be looking to duplicate the same in 2010. Roberts made the move to left field at the beginning of 2009 and transitioned well, making

only two errors on the year. At the plate she will also be looking to duplicate last year when she hit .287 with 12 doubles, nine home runs and 51 totals hits on the year.

Backing up Roberts will be Erin Driskell who saw time as the designated player last year and as a pinch runner. She will see time at both of those positions again in 2010.

In right field junior Megan Latimer returns to her role as a starter. After beginning 2009 slowly, Latimer rebounded late in the season to raise her average to .211 and finished the year with 13 runs scored and 13 RBI. She also provided a steady glove in the field.

Backing up Latimer will be junior college transfer Kalah Mathis. While at Columbia State, Mathis hit .446 and was ranked among the top 12 in runs scored, hits, RBI and doubles in the TJCCAA. She will look to continue that for the Skyhawks, in addition to providing a threat on the base paths after she finished third in the TJCCAA last year with 25.

The Schedule

The Skyhawks will again face a challenging schedule this year that has a balance of tough early season competition before stepping into the always challenging Ohio Valley Conference slate in March. In all UT Martin will face three 2009 conference champions and five teams that advanced to the NCAA Regional, including conference foe Jacksonville State that advanced to the Super Regional round before falling to eventual national runner-up Alabama.

UT Martin will open the season with three games at the Middle Tennessee Invitational where they will open with Missouri-Kansas City, before taking on NCAA Regional participant Miami (OH) and host Middle Tennessee. The Skyhawks will then again travel to the three-day Southeastern Louisiana Lion Classic where they have had tremendous success the last few years. UT Martin will face Southwestern Athletic Conference champion and NCAA Regional participant Mississippi Valley State on day one of the Lion Classic along with Grambling State. On day two the Skyhawks will face Saint Louis and Jackson State before closing the tournament against host Southeastern Louisiana.

UT Martin will then close out the month of February at the Chattanooga Frost Classic where it will take on a pair of opponents, Georgetown and Central Connecticut State, for the first time to open the tournament before closing out the two day tournament against Oakland and Ball State.

The Skyhawks will open the month of March just outside of Atlanta, in Woodstock, Ga., at the Georgia Tech Buzz Classic which is hosted by the NCAA Regional participant Yellow Jackets. UT Martin will open against Winthrop and Kennesaw State before following that up on day two against NCAA Regional qualifier Winthrop and perennial Southeastern Conference contender Ole Miss. The Skyhawks will then close out the Buzz Classic against Western Kentucky of the Sun Belt Conference.

The final non-conference tune-up for the Skyhawks will come when they travel to Kissimmee, Fla., for the Rebel Spring Games for three consecutive days of doubleheader action. The Skyhawks will open against Marist and Manhattan on day one, then will face Army and St. Peters less than 24 hours later. UT Martin will then close out the Rebel Spring Games against Akron and Fairleigh Dickinson.

"I am very happy with the early portion of our schedule and the way it will really challenges us," said Canary. "It builds in strength leading up to the

Megan Williams

conference season, which is always tough and will test us once again."

The Skyhawks will open the OVC portion of its schedule at home with a three series against Eastern Kentucky, Austin Peay and Murray State with only one step back out of conference for a rematch with Southern Illinois in Carbondale, Ill. UT Martin will enter the game against the Salukies with a three game winning streak in the series, including last year's 10-4 win that marked the Skyhawk's first-ever win over a nationally ranked program.

UT Martin's first OVC road trip will send it back to Jacksonville, Ala., where they clinched their first-ever OVC Tournament title, to face defending conference regular season champion Jacksonville State.

The Skyhawks will return home for an in-state non-conference match up with Memphis before hitting the road again for trips to Tennessee Tech and a single game at Murray State.

UT Martin's final home stand includes 10 straight games at Bettye Giles Field with OVC foes Eastern Illinois and Tennessee State both coming to town, along with doubleheaders with Belmont and Evansville.

The Skyhawks finish up the regular season with consecutive road trips to Southeast Missouri for a rematch of the OVC Tournament championship game, then conclude the year at Morehead State for their longest road trip of the season.

UT Martin will again rack up the mileage on the road this year, playing 38 of 58 regular season games away from Bettye Giles Field.

Despite a heavy road schedule, UT Martin will lean heavily on its very experienced lineup as it attempts to follow up the success of last season with another ring and trip to the postseason.

season review

Kara Harper

The 2009 season was easily the most historic in the program's history. After getting off to the best start in program history at 12-3, the Skyhawks settled in to compile a 13-10 Ohio Valley Conference regular season mark which earned them a No. 4 seed in the conference tournament.

Prior to the conference tournament beginning post season awards were handed out, including a Freshman of the Year accolade for UT Martin's Jenny Bain. Megan Williams joined Bain on the All-OVC First Team, while Laura Roberts also earned a nod on the All-OVC Second Team.

After a disappointing first round loss to Tennessee Tech, the most magical three days in the program's history began coming to fruition.

UT Martin picked up a win over (3) Morehead State and a 4-0 upset win over (1) Jacksonville State on day two of the tournament, earning them one of three spots in the tournament's final day.

After avenging the first round loss to Tennessee Tech 4-2, UT Martin then had to knock off (2) Southeast Missouri in back-to-back games to claim the program's first-ever OVC Tournament crown and automatic berth in the NCAA Tournament.

The Skyhawks' win made them not only the lowest seeded team to win the conference tournament, but also the first team to ever win five straight games out of the losers bracket to win the tournament title. At the tournament's end four Skyhawks appeared on the OVC All-Tournament team including MVP accolades for starting pitcher Kara Harper. Joining her on the all-tournament team were Megan Van Arsdale, Savannah Roberts and Laurie Lindow.

For the Skyhawks magical effort in the OVC Tournament they earned a date with perennial national powerhouse No. 6 Arizona in the NCAA Louisville Regional. After taking an early lead over the eight-time national champions, Arizona was able to rally behind their NCAA record home run hitting to pick up the 9-3 win. In their second game of the Louisville Regional UT Martin squared off against Purdue where it carried a 2-2 tie into the seventh inning before the Boilermakers were able to rally for the win, thus ending the Skyhawks season.

During the year the Skyhawks set or broke 20 program and individual records, including the coveted home run record. Bain set the new individual home run mark with her 14 bombs on the year while as a team UT Martin belted home 55 dingers. Senior pitcher Kara Harper also became the program's first 20 game winner with her 20-9 record while also moving to No. 1 on the career victories chart with 41.

Entering its 62nd year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference. In 2008, for only the second time in the past decade, the Conference expanded by adding Southern Illinois University Edwardsville as the league's 11th member. The move expanded the OVC's geographical footprint to the St. Louis market and marked the first change in membership since expanding to the state of Alabama (Jacksonville State, Samford) in 2003.

The OVC's proud past dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles (Turkey) Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958, Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961, Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

Through the past 60 years, 14 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 19 outright or shared football crowns, including the 2007 championship when they compiled a perfect 8-0 league record. Former OVC member Middle Tennessee is next with 11, followed by Tennessee Tech with nine, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed four football crowns (including winning the title outright in 2005 and sharing the crown with UT Martin in 2006) while Jacksonville State, Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, UT Martin (which captured its first crown in 2006) and former member Youngstown State have one title apiece.

A sampling of former OVC football stars, some of whom were all-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky) and Tony Romo (Eastern Illinois).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

In 2007-08, UT Martin's Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College.

In the late 1970s, women's athletics began somewhat of a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women, but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982.

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 16 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 19 times in the past 27 years. Although Tennessee Tech remains the standard-bearer, four other teams have won 11 of the last 15 OVC Tournaments.

Throughout the last 26 years, 10 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri

has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State was won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006, while Tennessee State claimed its first volleyball tournament championship in 2008.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third straight season, becoming the first player in OVC history to accomplish that feat. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead State's Amy Almond (2001-02) - were back-to-back winners of the award.

In 2007, Eastern Kentucky's Jacob Korir won his fourth straight Conference cross country title becoming just the third OVC student-athlete and 13th nationally to accomplish that feat. Korir is a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native has also been named a track and field All-American twice. Korir was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

Over its 60 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Trenton Hassell (Austin Peay), football player Tony Romo (Eastern Illinois), baseball players Jamie Walker (Austin Peay) and George Sherrill (Austin Peay) and professional golfer Jeff Sluman (Tennessee Tech).

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year.

The playing field isn't the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic achievement Award, as well as separate team awards in each Conference-sponsored sport.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its sixth decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

SKYHAWKS ON THE WEB

A wealth of resources for the UT Martin Athletics Department can be found at www.utmsports.com. The site features updated schedules, rosters, player information, scores and statistics.

SKYHAWKS IN PRINT

The name of our institution is The University of Tennessee at Martin and if abbreviated, should be referred to as UT Martin. The University of Tennessee at Martin should be used as the first reference in a news story. UT Martin should be used in subsequent references and UTM is acceptable in headlines. Tennessee-Martin, UT-Martin, UT or Martin should never be used. The description Skyhawks should be used to represent all UT Martin athletic teams. Lady-Skyhawks or Hawks should never be used.

CREDENTIAL REQUESTS

Requests for season or single-game working media credentials may be made through Matthew Maxey and the Athletic Communications Office by e-mail or fax [(731) 881-7624] on official letterhead, at least 24 hours in advance. Passes may be picked up in advance at the Athletic Communications Office or on game day at the will call window at the Kathleen and Tom Elam Center.

COVERING PRACTICE

Practice is open to the media and the public. Please contact Matthew Maxey in the Athletic Communications Office at least three days in advance to arrange player or coach feature interviews. If you plan to cover practice, please contact the Athletic Communications Office on a daily basis to check about changes in the schedule.

PLAYER AND COACH INTERVIEWS

Media wishing to interview the coaches or players are encouraged to set up interviews in advance with the Athletic Communications Office. Generally the best time to conduct an interview is after practice. Coach Donley Canary and the players are also available for phone interviews. The Athletic Communications Office will assist with all such requests.

PRESS BOX

The Bettye Giles Field Press Box is located above the spectator seating area behind home plate. Press box seating space is limited so credentialed working media only will be permitted in the press box during games. Children and spectators will not be permitted in the Bettye Giles Field Press Box.

PRESS AREA SERVICES

The press area is located in the Bettye Giles Field Press Box. Media information including game notes, media guides and game day score cards will be available in this area. Upon request phone lines can be made available. Soft drinks will also be available for credentialed guests.

STATISTICAL SERVICES

Services provided include statistics generated from the STATCREW computer statistics program. Hard copies of final Coaches' quotes will be provided following the postgame interview sessions. Wireless internet is not currently available in the Bettye Giles Field Press Box.

PHOTOGRAPHER CREDENTIALS

Credentials will be issued only to accredited photographers or those individuals on special assignment. Credentials should be requested at least one week in advance from Matthew Maxey in UT Martin Athletic Communications office. During regular season games, work areas include areas along both the first and third base foul lines, beyond the bases. Photographers are also allowed to shoot from any area outside the fence that does not interfere with play of the game.

RADIO

Requests to broadcast must be made in advance at the earliest possible date to receive permission. Stations are responsible for contacting the Athletic Communications Office for use of the phone line in the Bettye Giles Field Press Box.

MEDIA PARKING

Parking space is limited. The media must request parking access along with other credential requests. Media coverage on a regular basis will insure first priority in the upper parking lot located adjacent to the Kathleen and Tom Elam Center.
